Dear Cancer Council – Biggest Morning Tea,

Thank you so much for a great cause and a unique way to raise money, the Australian, with a cuppa.

When I sent the word out to our branches, I was not sure if we'd reach the \$500 estimate that I'd set but fortunately for us, we have a great leadership team with Amen Lee – one of our Directors contributed a total of \$250 of our \$544 raised.

We will gladly participate in future Biggest Morning Teas and will continue to set our sights higher each year.

My mother passed of a brain cancer so I know that this fundraising is going to help so many people out there.

Please accept our donation – as a company – of \$544 which has been banked and again

THANK YOU FOR A GREAT CAUSE!

Kind Regards

Nicole Couper – Co-ordinator for Australias Biggest Morning Tea at Transways!
